**Declaration For Utility Patent Application
(Submitted After Initial Filing)**

I hereby declare that:

1. Each inventor's residence, mailing address, and citizenship are as stated below next to their name. I believe the inventor(s) named below to be the original and first inventor(s) of the subject matter which is claimed and for which a patent is sought on the invention entitled:

Method For Generating Hydrogen from Water or Steam in a Plasma
the specification of which has been filed as Serial No. 10/632,708 on August 1, 2003.

2. I hereby state that I have reviewed and understand the contents of the above identified specification, including the claims (as amended by any amendment specifically referred to above).

3. I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56, including for continuation-in-part applications, material information which became available between the filing date of the prior application and the national or PCT international filing date of the continuation-in-part application.

4. I hereby claim foreign priority benefits under 35 U.S.C. 119(a)-(d) or (f), or 365(b) of any foreign application(s) for patent, inventor's or plant breeder's rights certificate(s), or 365(a) of any PCT international application which designated at least one country other than the United States of America, listed below and have also identified below, by checking the box, any foreign application for patent, inventor's or plant breeder's rights certificate(s), or any PCT international application having a filing date before that of the application on which priority is claimed.

NO FOREIGN PRIORITY BENEFITS CLAIMED
